HOUSE OF REPRESENTATIVES

Mr. Mark Brandsgard
Chief Clerk of the House
Capitol Building
LOCAL

RE: Annual Report of Savings for FY07

Dear Mr. Brandsgard:

In accordance with Chapter 8D.10 of The Iowa Code I am submitting the annual report of savings realized through use of the Iowa Communications Network (ICN). Included with the report is a copy of the instructions and calculations which detail the assumptions used to compile these figures.

It should be noted that the benefits realized by DHS beyond the financial savings include use of the ICN system for training of staff and improved communication through administrative meetings.

If you have any questions regarding this report, feel free to contact Susie VanGundy at 281-6445.

Sincerely,

A handwritten signature in black ink that reads "Kevin W. Concannon".

Kevin W. Concannon
Director

KWC/sv

Enclosure

cc: Legislative Services Agency
ICN

ICN SAVINGS REPORT

FY07

Instructions and Calculations

DHS ICN Site Coordinators are responsible for completing this report on an ongoing basis for all DHS calls hosted from their site and submitting it to the Division of Support Services annually. Use the following assumptions when completing this report:

- The meeting is necessary.
- The meeting would have been held at the call host site.
- The number of expected participants was uniformly divided among the total number of sites reserved
- The number of participants for training sessions will be based on class registration list if available.
- Distances will be calculated site to site using State of Iowa maps and most direct route. Mileage costs are \$0.34 per mile. Individual distances for participants will not be calculated.
- Lost productivity will be calculated using the hourly rate at the top of the range (step 6) of the IMW III level for all participants (\$23.26/hr.).
- Calls lasting more than four hours result in overnight lodging (\$45.00) and three meals for participants traveling more than 100 miles.
- Calls including participants at out-of-state locations would result in two-way air transportation charges at the current rate. (Site coordinator will call Short's Travel for cost estimate.)
- Meal charges will be at the current allowable rate (\$23.00/day).

Date - Enter date of call . . . once for each call.

Start Time - Enter time the call is scheduled to start . . . once for each call.

End Time - Enter time the call is scheduled to end . . . once for each call.

Sites - Enter each site connected to call on a separate line. Indicate which site is host site.

Participants - Enter number of participants at each site. If not available, divide the total number of participants by the number of sites used.

Travel (Y/N) - Enter Y if travel would have occurred if the ICN were not used - if the session would not have been held enter N.

Distance - Enter number of miles, one way, from site to host site. Estimate using Iowa map and most direct route.

Productivity - Calculated: $\text{Participants} \times \$23.26 \times (\text{Distance}/55) \times 2$.

Lodging - Calculated: IF Length > 4 AND Distance > 100, Participants x \$45.00, ELSE 0.

Meals - Calculated: IF Lodging > 0, Participants x \$23.00, ELSE 0.

Travel-IN - Calculated: $\text{Participants} \times \text{Distance} \times \0.34×2 .

Other - Enter round trip air fare for out-of-state participants or other expenses reported by Call Host. Call Short's Travel for air fare costs.

Account # - Enter IFAS account number to which costs are to be charged.

ICN Cost - Enter ICN cost from billing for site connection.

Savings - Calculated: $\text{Productivity} + \text{Lodging} + \text{Meals} + \text{Travel-IN} + \text{Other} - \text{ICN Cost}$.

Y-T-D Savings - Calculated: $\text{Y-T-D Savings (previous line)} + \text{Savings}$.
